

## CHAMPAGNE DIVOT STOMP VOLUNTEER INSTRUCTIONS

### **VOLUNTEERS NEEDED 16 - 18 FRIDAY & SUNDAY**

- You will receive an email from Mike Gratton mid week asking for volunteers, please respond if you are able to volunteer, and if you say you will, please be there, we will count on you. You will get a response email indicating you are on the list. (At Friday and Sunday matches at stadium only)
- We will need the following: (Total of 16 to 18 per match - less on friday)
  - 1 to open bottles and keep pourers supplied with cups
  - 2 to set out cups on the shelf ( 1 friday - 2 sunday)
  - 2 to pour
  - 2 to serve
  - 1 or 2 for crowd control and keep them in line
- Be at the membership desk before intermission.
- Please pick up an orange vest at the Booster membership desk before the end of the 3rd chukker or before intermission if it's a round robin.
- As soon as the field is clear of horses and players, you will quickly make your way to the champagne carts. (There will be 2)
- It is 1 drink per person, they will tell you they are getting it for their wife, husband etc, we do accommodate handicapped but it's ONE drink per person. Do not give it to a young person, it is alcohol!
- When it is announced the stomp is over, stop serving. If there is any remaining in an open bottle, put the cap back on and the cart driver will take care of it. Yes, you may have one for yourself.

Thank you for being a volunteer, we cannot do it without you.

Mike
