

SHIRT SALES VOLUNTEER

VOLUNTEERS NEEDED 1 or 2 WEEKLY

Our shirt sales profits go directly to our charity “Nick Johnson Toys for Cancer” which benefits the Arnold Palmer Children’s Cancer Hospital in Orlando. Cathy McHoul is our chairperson for shirt sales.

Shirts are sold every Sunday, 1 hour before the match and at intermission, along with at our Booster events at the stadium and Barns.

- Arrive 1 hour before the match.
- Shirts are set up on a table according to type (round or V neck) and by size.
- The shirts are \$20 each cash. If someone wants to use a credit card they are \$22 each.
- There will not be a new design this fall, we are hoping for one in the spring.
- When the match is going to start, the shirts are covered and all volunteers will leave to watch the match.
